ASSOCIATION *of*  
REALTORS®

Beginning January 1, 2017 and for successive two-year periods thereafter, REALTORS® are required to complete biennial ethics training of not less than two hours and 30 minutes of instructional time.

If your primary association membership is here at WAAR, we must report that you have met this Code of Ethics requirement to NAR **no later than December 31, 2018.**

Ways to complete this requirement -

1. Take the Code of Ethics class at WAAR - our class meets NAR's requirement as well as offers CE, PL and Broker credits for license renewal in Virginia. [Click here for upcoming Code of Ethics classes at WAAR.](#)
2. Take the Code of Ethics class in a classroom at a different school and send WAAR your Certificate of Completion. We will then determine if the course meets NAR's requirements. If it does, we will report your completion to NAR; if not, we will get in touch with you and let you know you will need to retake the course from a different school.
3. Take the Code of Ethics class online and send WAAR the Certificate of Completion. We will then determine if the course meets NAR's requirements. If it does, we will report your completion to NAR; if not, we will get in touch with you and let you know you will need to retake the course from a different online school.
4. NAR offers this course free of charge on their website. The free course meets the requirement but does not offer CE, PL or BR credits. [Click here to access the course and for more information.](#) NAR also offers an accredited Code of Ethics class for a fee.
